

Secretary's Report

← R07
THANKS

The seventh meeting of the 1966-1967 season was held on Tuesday, April 4th at 7:30 PM in the Club Room. The featured speaker was Mr. R. Wade Caywood, Sales Manager with the James Millen Company Who lead a discussion on Impedance matching.

Marshall Cannell, chairman of the field day committee discussed with the membership plans for Field Day. Marsnall explained in detail field day score rules, and considerable discussion centered around where we could locate. All those interested are encouraged to call Marshall, as soon as possible.

Lud brought up the need for equipment for a club station. Thank's go to Win Lewis for bringing in a power supply.

All but 3 passed the Novice exam. Both the novice and General courses have been completed. It is hoped to have these again next fall, probably in September or October.

not completed

Lud also told us about the latest developments on the Ham plate situation.

After Mr. Caywood was finished, refreshments were served.

respectfully submitted,

Walt. Lenk

OFFICIAL BULLETIN NR 110 FROM ARRL HEADQUARTERS
NEWINGTON CONN APRIL 27 1967 TO ALL RADIO AMATEURS BT

FCC has issued a Notice of Proposed Rulemaking, Docket 17377, to change amateur identification rules. The amendments require transmission of call signs of both stations only at the end of a contact. At other required identification points, the call of the transmitting station alone would be enough. Thus, the proposed rule would appear to legalize tail-ending. Also, stations operating portable or mobile would need to transmit only the call area numeral instead of the exact location. The comment deadline is June 30 and full details will appear in the June issue of QST AR
